

## Potential New Students to Central Technical School

Thank you for your interest in attending CTS. Students interested in attending CTS are asked to include the following documents with their [Registration package](#):

- Current school Vice-Principal Recommendation
- Credit Counselling Summary Report

We will review the information as it is received in our office and will contact those students invited to attend a registration interview.

Please note that the following programs/courses are currently full. New students to CTS will therefore not be able to enrol in these courses for the remainder of the 2011-2012 school year. Please refer to the [Course Selection Sheet](#) to see what CTS has to offer.
