## I Can, You Can

### I Can, You Can

I am me.  
I know what I am good at.  
I know what I need help with.  
I learned why.  
I have certain ways of learning.  
I found the right people to help me in my learning.

They taught me how~

how to learn easier  
how to learn better  
how to learn smarter  
how to do things in my way.

I know me.  
Now I can be the best I can be.

That is success.  
That is success at school.  
That is success in life.

I am me.  
You can be you.  
Learn how you learn  
and see it through.
