

2018/2019 CTA School Council Welcome Message

Sept 20, 2018

Welcome to all our new students who have joined the CTA community. You've made the right choice in investing in leading edge education which CTA has to offer. To all our returning students - Welcome Back! It's because of you and our dynamic and innovative teaching staff, that CTA is the place to be in downtown Toronto.

What does a School Council do in high school? Families still have a role to play in our teens' school, but it is different. Students now take the lead, and we as CTA's School Council try to help support their goals and provide some wind beneath their wings. We work together with Ms. Kurman and Mr. Seabrook, the staff, and the community and are looking forward to a successful school year.

Our next CTA School Council meeting is on Wednesday October 24 @ 6pm. All are welcome to attend and we'll be looking to fill the CTA School Council Treasurer and Secretary roles. In the meantime, if you have any ideas for School Council this year, please reach out to us.

CTA School Council Co-Chairs,

David Wong & Johanna Wong
