

THE KYLE A. MACDONALD SCHOLARSHIP

PURPOSE

The purpose of The Kyle A. MacDonald Scholarship is to encourage and promote the attainment of higher educational goals for individuals with a proven financial need. Consideration will be given to students who have demonstrated a high level of academic achievement, who have made a positive contribution to their school through involvement in extracurricular activities, and who have made significant contributions of time and energy to community services programmes.

DESCRIPTION

The Scholarship will be \$5,000.00 CDN each year to a recipient of Kyle A. MacDonald's designator's choosing, after consideration of 2 or 3 nominees presented by Malvern Collegiate Institute's Awards/Scholarships Committee. The donor reserves the right to interview each candidate prior to making a final decision. The Scholarship must be used towards post-secondary education and would include tuition, books, supplies and other related expenses. The Scholarship is given only in the student's first year at a post-secondary institution. The Scholarship will be awarded annually in June, commencing in April 2006, and will continue for a minimum of 20 years to June 2026, and will be presented at the annual Commencement Exercises.

ELIGIBILITY

Only students currently in their graduating year at Malvern Collegiate Institute who will be attending a post-secondary institution in the fall to pursue a course of study leading to a degree or diploma from an accredited community college or university within Canada may apply. Applicants must obtain a Secondary School Graduation Diploma and must prove themselves to have need of financial assistance in order to attend a post-secondary institution.

SCHOLARSHIP SELECTION REQUIREMENTS

In addition to the candidate's academic abilities, Malvern's Awards and Scholarships Committee will evaluate the candidate's contribution to a positive environment within their school and community through involvement in extracurricular activities. Contributions to the community may be demonstrated by involvement in local clubs, organizations and activities.

FUNDING AND PAYMENTS

All payments will be made directly to the Scholarship recipient's chosen post-secondary institution. The recipient must provide proof to Malvern C.I. that he/she is a full-time student at a post-secondary institution. An expense account statement for the fall and winter term is required, clearly showing the student number and the tuition cost. Under the direction of Malvern C.I., two separate cheques of \$5000 each will be issued by the TDSB to the post-secondary institution and deposited into the recipient's student account. At no time will funds be available to the school or the Committee to manage this Scholarship. All management of the funds will be handled by Ms. Kyle A. MacDonald and/or her designate.
