CHRIS SPENCE
Director of Education

BRUCE DAVIS
Chair of the Board

January 2010

Dear Parents/Guardians:

Kindergarten is the first step in a lifelong journey that will see your child learn, grow, achieve, and succeed at the Toronto District School Board (TDSB). We look forward to sharing this journey with you and your child. Visit your local school during February to register for Kindergarten.

Education is a partnership and parents are a child's first teachers. We encourage you to stay involved in your child's education every step along the way. Get to know the principal and your child's teachers, attend parent-teacher meetings, join the School Council and take part in school activities.

We are pleased to be introducing the Early Learning Program this coming year. This fall, the Ministry of Education announced that Boards across the province would be offering full-day Kindergarten programs in a portion of their schools beginning in September 2010. In January 2010, the Ministry approved the attached list of TDSB school sites to participate in this first phase. This is just the beginning, as the Ministry has made a commitment to seeing the Early Learning Program in all schools by 2015-2016.

For more information on the Early Learning Program, visit the Ministry website at www.edu.gov.on.ca/earlylearning.

We invite you to register your child for Kindergarten at your local school during Kindergarten Registration Month starting in February. When you register, if your local school has the Early Learning Program, you will be provided with further information.

Sincerely,

A handwritten signature in black ink that reads 'Chris Spence'.

Chris Spence
