ADVANCE WITH SPANISH!

Brief Facts:

The latest estimate indicates there are 400 million Spanish speakers all over the world. In the United States alone, there are 30 million speakers. Also, Spanish is the official language in 21 countries. Thus, making Spanish the second most spoken language today.

Spanish is offered at our school at the beginners level. You will start speaking Spanish with only a couple of classes, don't worry ... no prior knowledge is necessary. We literally start with the alphabet...the course is very interactive, fun and easy.

Here is a sample. Can you guess what these words mean?

And there is more...we enjoy the culture: listening to Latin music, going to a restaurant and learning how to Salsa!

Expand your options:

- Combine the study of languages with other areas of study to maximize your employability skills. Why not combine business with a language?
