Dear Parent/Guardian,

You are invited to attend the following workshops organized by our R H King Academy School Council.

***Adolescent Mental Health Workshop with Alison Licht, M.A. C. Psych. Assoc.***

Monday February 27 at 7:00 pm in the RH King library

*The Community and School Outreach Program of the Michael Garron Hospital (formerly Toronto East General) provides information, educational presentations, and consultation regarding crisis intervention and suicide prevention. Suicide is the second leading cause of death for people 15-24 years of age in Canada. Join Alison Licht as she equips parents and teachers with vital information to recognize and intervene when teenagers are in a vulnerable position.*

***Social Media in the Family with Steve Chapelle***

Monday April 24 at 7:00 pm in the RH King library

*Steve Chapelle has been providing social media behaviour education to Ontario students, parents and educators since 2000. His presentation will examine examples of social media usage by family members that create unnecessary risks. The discussion will focus on motivations and deterrents, account security, parental controls and preparing for adulthood. Written materials will be provided for those who RSVP to [rhkingschoolcouncil@gmail.com](mailto:rhkingschoolcouncil@gmail.com)*
