

UNIFORM REQUIREMENTS 2018-2019

The compulsory Academy uniform is designed to give students a sense of collective identity, which eliminates cultural and economic distinctions. The uniform package reflects our unique school image, as well as a standard of grooming and dress appropriate for the learning environment and future employment.

Students in any part of the school building, out of school classes, programs, public occasions or on excursions must be in full King uniform at all times. Students are advised to sew name labels on the inside of their clothing.

All uniform pieces must come from our supplier, R. J. McCarthy Ltd. The supplier has been granted the exclusive right to use the name and logo of the school. The school does not guarantee the quality of the uniforms supplied nor does it assume any responsibility for the delivery of any items ordered from the supplier.
